COLOGNE-BONN Symposium

Habitats of massive stars across cosmic time

**Physics and
chemistry in
star forming
regions**

**(Extra-)
Galactic
stellar
feedback and
ISM chemistry**

**Massive star
formation
and cluster
evolution**

**Habitats of
massive stars
on galactic
scales and at
high redshift**

Important dates

Early-bird registration deadline: April 1, 2026

Abstract submission deadline: April 15, 2026

Registration deadline: June 30, 2026
